*“ Agnes and I talked about our heavenly home, and giving God the praise for keeping us on this side until we found him to be our personal savior. We would hold hands and pray. Agnes had faith, and she's made it to a better place. I've known her for years, and I am so glad that God brought us together so that we could testify that when our name is called it will be joy for us, and no fears!!! Rest in peace my friend. May God's love comfort this family through this time of sadness.*
