*Brother,
As I sit here at my desk watching the video of my beloved brother tears are rolling down my face, this holiday season with you and papa not being around I feel so abandoned, I am trying to focus on all the fond memories we had together as a family, with mom being in a nursing facility I have all this going through my mind I am very sadden, you all know that I did whatever I could to help you in any capacity, if it meant sacrificing myself I did and I did it out of LOVE, you know we enjoyed singing our gospel songs, I think about you up there singing with that heavenly choir and the big smile on your face, I know that you and papa are with the LORD that it what comforts me to press on.*

*I love you dearly, as you called me "BIG SIS".
Love JULIA!*

“ *1st Met Albert after He joined BMW, He was the one Forklift driver that always stopped for pedestrians even though He had the right-of-way. He established His Character of Respect with many by this one act of caring. Albert was a very nice & respectable person. Always had a smile. My Sincere and Deepest Condolences to His Parents & All Family Members. Praying God's Loving Arms of Comfort will help You in the days to come. Debra Clayton BMW Co-worker*
