“ I have great memories of cousin Leroy when we were students at BHP High School and then again when we were both students at Anderson College. Leroy loved a quick pick up game of basketball in the college gym. I know he is at home with mother and my uncle Alvah, his grandfather and my grandfather Floyd, his grandfather's brother. My prayers are with the entire family.

“ I am so sorry to learn of losing Al. As others have said, he was a awesome coworker. He was always helpful and knowledgeable, but, better than that, he was a genuinely nice person, with a great sense of humor and quick smile. I can't remember a time even in passing in a hallway, that he didn't speak and smile. I pray God's love and peace will cover his family and friends during this hard time and the adjustment to come. 🙏

“ I worked with Sal Martin for all of his career. Yes we called him Sal. Just one of the best people ever. The self described NBA junkie and sixth grade Spelling Bee Champion was always good for a Great Life's Story that would make you laugh for hours. A very smart guy who was ahead of his times writing computer programs for our department when computers were a new thing. He cared for others and he loved his “bay bays”. I loved that guy and I'll miss him forever, gone too soon.

“ I worked with Al for years and he was one of the best. I have so many memories and the times he had me rolling in the floor laughing. But there was another side of him that was so intelligent... far beyond what I could even start to understand. He was such a great guy in so many ways. I will miss him greatly. I hope and pray that God sends comfort to his family.
