“ I was sweet Annie’s social worker at NHC. I have many fond memories of her & our conversations. She always gave me that sweet smile & laughed with me often. She was very ticklish, & I would come up behind her & surprise her. Anyone that had this precious lady in their life was blessed. She was also a friend to my mother, who is a resident of NHC, & made sweet memories with their ladies group. I am missing you already, sweet Annie. Fly high, angel. ❤️
