“ Precious memories of my Aunt Arberdia (aka) Aunt Toot which I will cherish forever. I remember the times when you would come to Baltimore to see your sister Annie Mae (my mother). You would take me home with you for the whole Summer. I remember you sitting by the fireplace roasting peanuts while cousin Martha Ann (Peggy) sat on your lap. sucking her thumb. Always so calm and sweet, You also had your serious side when ever my curiosity got me into trouble as I explored the farm. I will miss you but I will never forget. you. I love you but God loves you Best.

To the Family, Stay Strong, one day at a time.

Gone but not forgotten,

*Nancy Nelle Williams Vaughn
