“ I will miss Arzona very much. She was part of my life for over 78 years and helped raise me. Her presence in my life was a blessing, and my heart is full of memories---like the two times she visited me in Vermont, where I live. I also enjoyed our frequent phone talks--we always found something to laugh about, and as she reminded me often, "To laugh is very important." Arzona was special, and I'm grateful to have known her.
