“ *Bigredapple05*
Good evening to the family of Audrey. I first met her of all places on TikTok. She saw my name popped up and said Queen you must be from NY. I said no Queen I'm from big old state of Alabama. She said oh ok now I know why they call you Bigredapple! 😭 Her energy was everything. Always greeted me with her beautiful smile whenever I came into her live or any live they we were in. I'm going to miss her dearly. Just was a fun loving person but will tell you off in a heartbeat. 😊 Even through I never met her personal but she welcomed me in her life like I was there all time. My heart and condolences goes out to her family and everyone who knew her. My prayers are with you. 🙏💛🙏

“ *Audrey will be dearly missed. She was not just a good person in reality, she was also a virtual blessing to so many people on TikTok. She became a regular in my live and literally a name that touched people in a good way every time she came in the room. To the family our hearts go out to you. Many of us never had the opportunity to meet Audrey in real life, at the same time God connected her to us like we knew her forever. Our prayers are with you.* 🗨️👍❤️🗨️👍

“ Thomas, Meghan, family....I know this is a difficult time: I can speak from experience. I can just think about all the “crazy” stuff Audrey and I talked about over the years and I find myself laughing out loud. Even in the post she put on James’s (Bubba) obit page about him messing up the family games when we were all together...made me laugh in my darkest moment. That was who she was, a joyful spirit. I will miss her, we all will. It will be hard, but with God’s Grace the hurt gets a little softer each day. Know that she, mom n dad, James and others are having a great time “up yonder”! Praying for strength and God’s peace for all who knew and loved her. Love you all so much.
