“ *Betty and I have known each other for probably 45 years or more. We worked together in the Detroit City Clerk's Office. When I left the Clerk's Office, Betty and I still kept in touch over the years. She would keep me informed about how her family was doing, and I would keep her informed of how my family was doing. I just talked to Betty in March and have been trying to call her for her birthday. She was a good friend, and I will miss her.*

Lamar & Junior, I was heartbroken to find out that your mom has passed. She loved both of you so much and was so proud of you both. Your mom, you, and your families are all in my prayers.

With Deepest Sympathy,
Maria Militello
