Bobby was our neighbor,It was so sad hearing about his death. I just found out about it yesterday when Hazel called me and I was glad she did because I don't watch TV so I don't hear the news. My heart goes out to the family, may the Lord give you peace.

“ Bobby we missed you terribly hence, you moved back to Belton. You always had the answers for our cars, and you'd make a car operate one way or the other. I'll never forget the time you used a clothes hanger on my motor with a toggle switch in order to get the parts store. That was unforgettable! Now, you can rest in heaven and be with the Lord and all your other loved ones. You will be sorely missed. Nicki Craine

“ Life is so short and tomorrow is definitely not promised. I will truly miss my best friend. Whenever I was at my Mom’s house, which was next door to Bobby’s sister, Mrs. Dot’s house, I couldn’t look up fast enough and here comes Bobby across the yard. He would have the biggest smile and was so happy to see me! We would sit on my Mom’s porch and just talk and laugh about anything and everything. Bobby may be gone, but never forgotten. I’m going to miss him. Rest on Bobby, my buddy, my best friend. My sincerest condolences to Mrs.Dot, his son and the Sims family.

“ It was a shock and very sad to hear of Bobby’s passing. He was a humble soul who always stayed in his lane and mind his own business. He basically stayed to himself although sociable. If you were in need of a car repair, Bobby was definitely your man. Overall he was a good guy. His presence will be missed. My sincerest condolences to Mrs. Dot, Andy and the entire Sims family. Rest in peace Bobby, rest in Heaven. 🙏
