“ *Calvin was one of the first people I met when I came to work at the landfill, we quickly learned that we both shared a love for the Clemson Tigers and talked about them all the time. It did not take me long to learn that Calvin was a great guy. He will be missed by all of us at the landfill, including his customers who were just as sad as we were to hear of his passing.*

All of Calvin's family and friends are in our thoughts and prayers.
