“ We extend deepest condolences to the entire family. We pray that even in the midst of your pain that you feel during this time, you experience an even greater manifestation of the love and comfort of our loving Savior. Know that as you hurt you are surrounded by friends who hurt alongside you, and who support you in your time of bereavement. It was always a pleasure to talk to Cathy, and while she will be greatly missed please remember that to be absent in the body is to be present with The Lord. We love you all and we are here for you.
