“ *Romans 11:29 For the gifts and calling of God are without repentance.*

God blessed Charles with a gift to build things. And build he did. His gift has blessed so many of us and I'm thankful. It's ironic that Charles would fix things that were broken. It was in his DNA. What looked liked a mess, he could make it look like a miracle. He could see the miracle in the mess. Jesus was also a carpenter. He can see the miracle in our mess. He came to fix what the devil tried to destroy.

So sleep on Charles. Take your rest.
