Charlie I still can't believe you are gone I just talked to you like a week or 2 before we talked about my health but you never said anything about you being sick or anything. I wish you were still where we talked about you coming to Nebraska this summer I'm so sad you won't be coming I wanted to have all my friends meet the lady who inspired me to be a better person. You changed my life from the first time we met to the phone calls we had I'm still in shock you are gone. I pray for your family to find comfort in knowing you are with your mom in heaven watching over them all. I will always remember you and keep your family in my prayers you will be missed so much

“ *We have lost such a bright and inspiring light in the passing of Mrs. Charlie Antalya Howard. Charlie was so giving of her time, experience, strength and hope to so many she touched in the short time she moved to the South Carolina area. Always one to volunteer, organize and give freely and readily her time to help so many. Her words of wisdom and shining inner light will be greatly missed. Rest well Mrs. Charlie aka Christmas....REST WELL, now. Loretta Holloway*
