To the Davidson family, Daneekua was a unique young lady who always had a story to tell. I will miss my talks with her. She was so comical and had interesting things to say that was on her mind. I treasure the time and the conversations we had. Prayers for her son who she adored. I pray that God will ease your pain and heartache.

“ *To the Davidson Family. I've only known Dankeeka for several weeks as a co-worker, she was a delight to work with, we shared some laughs while working but she always talked about her son that he was her Minnie me. My heart is broken, I miss talking & laughing with her. My prayers are with you all especially her son. May God give each of you the strength you need at this difficult time to press on because that's what she would want. My Deepest Condolences. Kovette Scott*
