“ Dear Uncle,

I'm still trying to process the pain of losing you. Your words of encouragement and support mean everything to me, and I'll carry them with me forever. I know you're in a better place now, with Mom, Grandma, and Auntie. Please tell them I said hello and that I'm thinking of them.

Your legacy lives on in me, and I'll never forget the lessons you taught me, the love you showed me, and the strength you instilled in me. You were an amazing man, and I'm grateful for the time I had with you. Your impact on my life will never be forgotten.

I miss you so much, but I take comfort in knowing you're at peace, surrounded by love and joy. I'll keep you in my heart and continue to strive to be the man you helped me become. Rest in peace, Uncle. I love you and miss you so much.

With love and appreciation, Maurice
