“ *If I Had the time*

*If I had the time  
I'd share with you  
the precious things  
For me and others  
My sister use to do*

*If I had the time  
It wouldn't take long  
To tell all the giving she gave  
Before God called his servant home*

*If I had the time  
Perhaps I could whisper in your ear  
Oh the wonderful memories of her  
That I still hold so dear*

*If I had the time  
I'd tell you how we used to race  
To our favorite hide away  
A swale we called the secrete place*

*If I had the time  
And my sister words I could coerce  
She'd want me to tell you  
To always put God first*

*So while you still have time  
Live in the moment cherish each day  
And as my sister would say  
Whatever you do - don't forget to pray*
