“ Dorothy was a beautiful gracious Lady with a smile that was endearing which made me feel blessed just to be in her presence. Her physical presence is no longer on earth, but her signature of assisting others through sharing her faith in Jesus Christ will be a lasting spiritual blessing. Blessings of love and peace are now extended to the family that she loved so dearly. As President of the National Beauty Culturists' League Incorporated, I now extend my appreciation for Dorothy's family in sharing her with the Cosmetology industry. As always with me it is LOVE & PEACE!
