“ *I worked as her caregiver but she wouldn't let me do anything. She was so independent so I suggested that we get out of the apartment and sightsee. Well, from then on, we were going out three times per week shopping, eating and eating and shopping. We had so much fun together that she wanted an extra day for me to come. I'm going to miss this sweet lady. Rest on Mrs. Edna. I love you. Brenda Phillips Anderson*
