“ Though I never got the opportunity to really talk to Ms.Cowan,My heart is truly sad. I've known her Son James for years and I've heard such beautiful, heart warming things about her,I feel like I knew her well. Such a wonderful soul. I'm certain she will be greatly missed by all who knew her.

“ *Granny, I am going to miss you so much! You were my mother, best friend, my rock and my everything. You always knew what to say, so full of wisdom. Even when I was was wrong, you put me back in my place and still showed you loved me all in the same sentence! I'm going to miss our time together and going to church with you! You were so kind and loving. You loved your family so much and were proud of all of us. I'm glad I could make you proud and gave you your flowers while you were here on earth bc you more than deserved them. Fly high Granny, take your rest. I will always love you and forever in my memories and heart you will remain!*
