“ *Erika, you helped me through so much as we worked together at Blue Cross. I will never forget you and the imprint you left on my heart. RIP my sister! Love you, Sonya Valentine*

“ Edina, your Mom came into my life because of you. She joined WW because of you. You were her pride and joy and she wanted to get healthy for you. We were all shocked when a gentleman stopped into our meeting yesterday to let us know that your Mom had passed. I immediately thought of you, even though I only knew of you from your Mom. When your Mom came to visit you, she recounted the story that you guys did not recognize each other right away. How awesome was that?

She will be missed by all of who knew her, she had such a sweet spirit. I enjoyed getting to know her and appreciated her work ethic. Prayers for you today and in the hard days that follow. Know she was so very proud of you and her love for you was endless.
