

Eula Vance

August 21, 1943 - January 25, 2024

Eula Laura Stowers Vance age 80, was born in Pendleton, South Carolina, on August 21, 1943. She graduated from Riverside High School. She relocated to Washington, D.C. to join her sisters. Eula was employed at the Government Printing Office, as a journeywoman. She worked several years in the Federal Government, until returning to South Carolina in the early eighties. When she returned to South Carolina, she was employed with District 4 as a bus driver. Eula loved the students on the bus, and they loved her too. She had a green thumb for growing plants in her home. Also, she loved word search books and reading her Bible faithfully every day. She also looked forward to her prayer line calls from her family. Eula was deeply loved by her family and friends. She was preceded in death by her parents Josephine Stowers, and David Stowers, and a sister Shirley Stowers Taylor. Eula leaves cherished fond memories, her sister Tonnie Stowers Jackson, and a brother Lymunel Stowers both of Pendleton, S.C., three nieces Cynthia Cowan (Leroy) of Bowie, Maryland, Rhoda Jenkins, Hyattsville, Maryland, Dr. Richari Sancho, Lansing, Michigan. A host of great, great-great nieces, nephews, family, and friends. The memorial service will be held on Friday, February 09, 2024, at 1:00 pm at Piney Grove Baptist Church Cemetery 211 Chapman Rd. Anderson SC 29625.

“ To my family; I'm just finding out on last night 2/28/24 that Cousin Eula had passed away. I remember very well as she didn't live too far from my great grandmother the late Lula Mae Stowers Rice and poppa Daniel Rice in pendleton, where i spent most of my summers growing up. Such a beautiful person, geniune, love and spirit. My parents were the late Bobby/Eva Cannon from Clemson I went by the nickname "Bamn,Bamn". I encourage you to continue to look to the hills from whence cometh your help;your help cometh from the Lord.

Tonnie Stowers Jackson - January 31, 2024 at 01:36 PM

OC

To my Godmother Tonnie know that I am praying for you as you go through this season of loss. However, I remain steadfast and confident in the knowledge that Richari and Rayne will continue to be right by your side as will I as you travel through this valley. For we know that Earth has no sorrow that Heaven can't heal and to be present with the LORD is better than 10,000 days on Earth. Your sister is resting and has completed her journey on this plain, but more importantly we know that GOD has gone before us to prepare a table to welcome us all home. The goal in life is to get back home and hear well done my good and faithful servant.

“*Aunt Eula, you were a forthright mom to each of us. The most brilliant mind when it came to nature and those in need of protection (e.g. children and animals); this you had a knack for and teaching us skills that lasted a lifetime.*

You taught me the value of problem solving and taking care of my body. You were a protector to those you cared about and this you showed each of us in your own unique way. I will miss you and will look to the ethereal to see you basking there with jokes and a "No-fear" demeanor. Thanks for loving us, even when you thought you might be alone.
