“ To the family- God said.. I've heard your cries, I can feel your pain- I have not forgotten you-I know that you may not understand all I do and allow-but I am always in control. I alone have all power. Out of your hurt & disappointments I will bring great joy-I need you to hold on during these difficult days ahead-everything is going to be alright-Place your faith and trust in me like never before- Be still and know I Am God
