“ Let me first say that my prayers are with the family they are like my second family! Renee Burns and I have been friends for 25 + years and when we became students in high school I started to hang out at her house constantly and Mr Burns was always nice and super funny! I left Anderson and lost contact with my second family but when I returned 5 years later it was as if we never missed a beat. Everyday I passed by the Burns house and Mr. Burns would either be walking in the front yard or sitting in his chair and he will always wave! If I pulled up at Cunningham Park when the kids were smaller he always came out there front door and we'd have a yelling conversation across the road.... Mr. Burns will give you anything if he had at least that was my experience! You ran a good run Mr. Burns Rest in Peace
