“ *Pam, I remember when you, Gilda , and myself worked together Jaques was just a little boy, and you would talk about him, and tell us funny things that he would say We did not have any children then, and when we did have our own children we fully understood your proudness and bragging rights as a mother.*

Please remember that God sent his ONLY son (ONLY child) to save wretches like us, do we deserve it ? NO . And now Jaques is with the one who did it all for us, we all have to make this journey one day, and we do not know how or when, but the bible says " BE YE ALSO READY" and from what I understand your son was ready. I realize that it seems as though that nothing can ease your hurt, just remember that God can, and God will.

*God Bless

To Jaques momma and family. I am sincerely sorry at the passing of Jaques. I want yall to know that he was one of the most respectful, easy going, friendly person I have ever know. The first thing I'm going to do is say hello to Jesus. The second thing I'll say is, where is Hayley and where's Jaques! I'll meet you walking the streets of Gold my friend.
