You will ALWAYS be loved and truly missed. Time for your body to Sleep well; and rest easy, because now your soul is free to fly, and sing with the angels. The tears I have shed are both of saddeness. And joy sad because you are gone from here. But also joy because I know where you are. Peace be with you

I met Jennifer while working at the hospital she was a wonderful and hard worker. She was a great friend to all. Always had a smile on her face no matter how she felt. She hardly ever missed work. I would see her walking at Walmart when she worked there because we both lived on Cope Cr. and I would stop and pick her up and take her to work. Then I found out she was working at Moe's in Cullowhee and My husband and I would go up there to eat just to see her and see how she was doing. She sure will be missed by so many. Fly high beautiful soul.
