“ Jerry, what can I say. You had a heart of gold and you loved Helen dearly. I know yall are joined back together again, and holding hands and laughing. You will be missed. You were always talking junk and joking around but you were a true friend. I'm sorry I didnt hold up to my end of the bargain of checking in on you often when you had lost Helen. I didn't think that Aug of this year was going to be the last time that I would see you. Love, Tasha

“ Jerry and Ms Helen were the best people to know when they both worked at the Westside Community Center in different departments. I enjoyed being around them and talking with them at least 3 to 4 days a week. He came by the center several months ago and talked of old times there and we wished each other happy days. Condolences to his family with my deepest sympathy. Lin McDowell
