“ I worked with Joe for 15 years in intensive care at Anderson Memorial hospital as an orderly first and then a RN the last 13 years. Joe was a dear friend that I could count on. I'll never forget those days of working with Joe. Joe had a way of making work not seem like work. Joe will be truly missed by all who knew him. He was a man of integrity, an example for me and others to follow. I will miss him.
