“ Joe and I met in rehab back in May 2017. We hit it off immediately because he was easy and fun to talk to. We'd sit on the terrace and talk about family, life and dreams of the future. We kept in touch often once we left the facility. He loved giving me a hard time. I am missing his friendship terribly but I know I will see him again one day. To his family, he loved you so much. I pray God wraps his arms around you for comfort.
