“ We will really miss our sister/ friend. She is and was a part of us that cannot be separated in the Spirit rim. We were like twins with the same parents! I will not say Goodbye. I will say I will see you later at my father's house! Cannot wait for the reunion! Tell my mother and my father, most of all my little baby. I am coming home when I get off from work. No one may not understand, I am employed in the vineyards of the Kingdom of God! She got off before I did. I am working the late shift. Know that if you do not know Jesus in this day and time. You will not go to heaven! I am still here trying to win souls for Jesus. That's my Job. Hers just ended a little sooner.
