“ *I worked with Kelvin at 3M, each Time he came through the control room, you could count on him sharing a smile and a laugh with you. If a piece of equipment stopped, Kelvin stayed on it till it was back up and running. I know 3M will miss having his smiling face, quick wit, and working knowledge. Our loss is Heavens gain! Rest is peace friend.*

“ Kelvin was like a brother to me. There was never a day that we worked together that he didn't make me laugh and smile. He was taken from this Earth way to soon. It was truly a blessing just to have known him. I hope to see you again one day brother! Thoughts and prayers to his family.
