“ *I was so late in finding out about Keywaun... Though I knew alot of his family on his dad's side, I didn't meet him until about 3 years ago when I started working at Palmetto where he was attending school. I knew alot of Bells so I inquired about his family and he told me Kenny was his dad. I asked was Stacey his aunt and from that day forward we just had a bond. The he and my son became friends. Brayden and I will truly miss you. SIP young man. My condolences to the family.*
