“ *Kierra was the light! She was the life of the party, the hype girl..she made a positive impact to all. She made me laugh so hard till I felt weak or until tears came rolling down your face. A good memory of mine was when every Friday in our first year of chorus (6th grade) we made blogs as if we were famous. In those blogs she brought out my true smile..along with plenty others. Even in one of the blogs we recorded..she was hyping up a teacher and even making jokes with those around her. I have plenty more good memories with Kierra..they will be a piece in my heart forever. My prayers go out to her family and those who knew her. I love you Kierra!! You will be forever missed. 💜*

“ *Although I wasn't one of Kierra's best friends. Kierra was one of my first actual friends. She would always make you feel better about yourself and would just be someone to talk to. She was a very energetic person who also tried to help people in any way possible. She was a very kind joyful person who will always live in our hearts.* ”

Kierra was very special to me she had the gift from God at the age of 6 while on the van going home from church she these words to me (aunt Glenda you know what I want for my birthday?)and I said what? (She said (I want God to give me wisdom) now I know, you're God's angel aunt Glenda

“ Remembering all the precious memories we have shared over the years really helped comfort me and so many others during this time. Kierra was always someone who would light up a room the second she stepped in. No matter how she was feeling, Kierra never let that stop her from being one the best friends I have ever had. She was hilarious and someone that everyone wanted to be around. It's hard to believe that she is gone although it is important to remember her and be just as strong as Kierra during this time. My thoughts and prayers are with the Johnson family and all of her closest friends. Love you Kierra.

“ The family has our deepest sympathy and condolences for the loss of Kierra. Kierra and my daughter, Novah, were in a group together at the beta club trip in Myrtle Beach and she lost her purse and phone. I was panicking helping her look for it, but she had an infectious smile and said “ my mom going to get me”. She didn't have to because Kierra and I found it! Novah also enjoyed playing basketball and chorus with Kierra. Sierra is already missed dearly by us. We love you, Kierra, and your family! Love ❤️ Always the Simpson family.
