“ *Levell and Zelma were two of the first people we met when my wife and I first moved to South Carolina in 2001. We met at the ABC Club and were pleasantly surprised to learn they only lived a few doors down from us in our neighborhood. I enjoyed spending time with Levell and he introduced me to one of his wine making friends, Dave Burley. We would get together and talk about wine making and of course, make wine. They made it-I drank it. My two good friends have both passed on and I hope they have a chance to make wine together again. I moved away from the neighborhood a few years ago and fell out of touch with Levell. I am sorry I didn't make a greater effort to connect with him. Rest in peace, my friend.*
