“ RIP Mrs. Mable. Thank you for allowing me to be a part of your life and your extended family. You always kept me laughing when ever I was in your presence. You always and never stopped treating me like family. One of the fondest memories I have of you is it didn't matter what was going on,if you saw any type of coin , especially a penny you couldn't help but to pick it up. That always tickled me. Love you Mrs. Mable.
