Your pain is my pain...I have travelled this road... it's a lonely road no matter how many travel with you... you feel all alone, but just know that God is with you, even when you feel your most loneliness... friends and family are here too...I have so many memories of Marty, Michael, Margret, and Mr. Harvey that all I can do is smile, so Marty... you rest on and thank you for being like a big brother/older cousin to me back in the day... WASHINGTON STREET 🥺🥺
