“ Marvin was very family oriented always reaching out to love ones. We would often speak about death, and how the saints that's gone on before us has pleaded the blood for our lives, and how God allowed us to stay here to have a safe exit to eternal life, then he would HOLLER!! Ya'll know we all are going to miss those Sunday telephone calls. Family, I know it's hard, but God is already starting the healing process many prayers are being spoken!!! Marvin would always address his cousin's as his sisters rest in peace my brother, and I will see you again.

“ To Jean his wife and family, Marvin and I had been friends for over 30 years, Jean thank you for knowing that when we would talk on the phone often that it was just a simple , clean , platonic, spiritual friendship, Marvin was very good friends with all 4 of my brothers, of which George, Len, and CJ are now deceased , he spoke on my brother George funeral, and was just recently at my brother Len's funeral not feeling well, but he came on, and would often talk to my baby brother Alvin.

We always talked about how good it is to be saved, and that is a good note to go home on. I will miss talking to him. Jean if you just need to talk you can call me, and I will still call you, but prayer is the only thing that will see any of us through in times like these.

God Bless, Sincerely
