“ At a time where my sister and I didn't have many people to turn to, she and her family ALL took us in. Words will never be enough to express the amount of love and gratitude I have for her. She never left church without showing me some love and always let us come to the house and eat with the family. We were family. We are family. And that's something I'll never forget about her. I miss you grandma and my love goes out to the family. Travance.

When it takes a village to raise a child you pray that there's someone positive and willing to be apart of that village. "Ma" Cary, Mr. Spurggie, Dorothy, and Barbara Jean were more than just willing. They wrapped their arms around my children and never let go of them. They became my children's adopted grandparents and aunts from Belton. Ma Cary never let them leave her house without feeding them something. She was always their little personal cheerleader rejoicing at every small accomplishment. I praise God for allowing our paths to cross over 20 plus years ago. Our lives are fuller and much richer because of the love y'all have ALWAYS shown us. Thank you for sharing your parents and yourselves with all of us. Ma Cary's and Mr. Spruggie's living was not in vain. We love y'all dearly.
