“ *Condolences to the Williams family. I was reflecting about walking along the beach and seeing footprints in the sand. The footprints are evidence that someone was there. Mr. and Mrs. Williams left a legacy of humility and brotherly love. How do I know? The brother's text or call, without fail, every birthday or the sisters helping us when we needed help with our mom. Her legacy is lives in her children. I've experienced her footprints and I'm thankful. Blessings and peace be unto you family!*
