*I am at a lost of words and it's so hard to believe that you are gone! I am sending my condolences to your loved ones and many friends that you have left behind. You were so talented and I'm glad that you pursued your dreams but at the same time I am saddened because you have left this world too soon! But God knows best and he must have needed you more in Heaven than on earth and I can not and will not question him for that! Until we meet again, keep watching over us!*

“ *When i first heard of your passing, my heart dropped like no not my beautiful friend. Then as i sat back and thought of all the times we were in each others presence over the years, i just laughed at how we always aggravated each other. Who’s gonna work my nerves at Simons now? Whos gonna make sure that my wings are exactly the way i want them? Who’s gonna own the dance floor with his own crazy but cool moves? This one does hurt yet i know you are resting in Heaven now. Every time i wear blue, it will be in memory of you!* ”

“ I was honored to meet KT in 2016 when I ran for State House and knocked on his door, asking for his vote. We were instant friends and have remained so. He inspired me to keep fighting, keep grinding and to never, ever give up on my dreams. Rest well, kind sir.
