“ Our deepest sympathy to you all. Your dad was a beakon of light. I always saw him with a smile on his face.
When we (CCDC) would call about our electrical problems at the Center, whether he could help us or not, he would smile and let us know the news.
Keep your memories with you. They mean so much. Our prayers are with you.
With Love, Linda Anderson-Session & Family

“ As a child growing up beside you on Walker Street it was an honor. You were always there for us. Thank you for breaking bread with us at your table and especially allowing us as kids to use your yard to play kickball, oh what a time we had you were one of the most gifted electrician. You were like a doctor that made house calls, you didn't care what time of day or night if someone had a problem you were right there. I think God for lending us one of his special angels to the community you will truly be missed.
Love,
The Brown & Walker Family

“ I have many great memories of Samuel, AKA, Uddie Boy, which I (his youngest brother) and most others who knew him, called him for most of his life. It was Uddie, who allowed me to drive his car to my Prom in my junior year of high school. He was more like a father than a brother. He shared so much of himself to many in the community. He was a beacon of light within the community.

It is with regrets that we're not able to be there for sending Uddie, into the Lord's Kingdom. However, we are there in spirit! We wish the family our best and hope you're holding on in this time of sadness. Hopefully you can rejoice by knowing Uddie is in a better place with no pain and sorrow.

We want to wish everyone God's speed and do have a safe return to wherever you traveled from, whether locally or a distance away. Our prayers are with you.

“ I grew up calling him Uncle Uddie Boy. He was always so loving and kind to me. I'd get excited every time I heard his truck barreling across grandmom's gravel driveway. I loved him so much, I could barely stay out of his house when I'd come down to visit. He told the BEST stories and had us kids rolling on the floor. He was a firm, but loving uncle and father. R.I.P. Uncle Samuel.

“ *Major Webb, Jr. and I are so sorry to hear of the passing of Mr. Holland. Major grew up just a few houses away from he and his family. May the memories of times spent together bring you peace.*
