“ I'm going to miss you sooooo much! I can't believe that I've known you 18 years...Wow...as that time quickly flew by!! Everytime we talked you had a new show to tell me about and I listened with interest always. Lol What stands out most is how over the recent years, you spoke of the Lord's goodness everytime we talked regardless of the health challenges you faced. You always told me, "I thank the good Lord for letting me get up this morning" and you loved listening to your gospel music. You were absolutely one of my favorites and honestly this hurts in a way that I've never experienced. I take comfort in knowing that you are free from all of Earth's issues and can now rest freely with the Lord. As I told you often when we talked, " Love You".💕

May God comfort all of your loves one and may He be all that they need now and the days ahead.💕🙏
