“ *Pops was a good man. Since the day I met him he always had something for me to try it reminded me so much of being at grandmothers house. A man that would get up and just go no matter where it was to. In the few years that I've known him he spoke highly of his kids why we would drink coffee. Bobby we leave a special legacy to his daughters Nyesha Young and Karima Curry. With special love and care from the Brown family. Rest Well pops and in comfort.*
