“ Our condolences and love to the family. We know that our heavenly father will keep us all in perfect peace, especially knowing that she is with him. Auntie was a real sweetie pie and had a infectious smile and you felt her love 💕
I'm so thankful for all the memories and visits with her and going to see her and her allowing me to take a picture with her because she really don't like taking pictures 💔
No more sickness and no more pain. Lord God she is in your mansion you prepared for her 🙏
I love you all Family
