The joys of spending time at the Foggie house was just that a joy. Mrs. Sue treated me just like one of her own and for that I am eternally grateful. Knowing that I was part of more than one family was heaven on earth. My sisters and brothers I know that your hearts are broken as is mine but know that your mother was truly a mother of LOVE. She loved and cared for many. Thank you for sharing her with me. Being with you guys gave me a true sense of what it was like to have a big family and I loved every minute of it. I'm so glad I was able to see her when I was home. Keep your heads up because as she took care of you, you did the same for her. Rest well my sweet other mother because your work on earth is done. Go now in peace to be with your savior and we all will see you on the other side. Love you guys, Cheryl Webb Simmons
