“ *Wow. I had to do a double take when I saw your obituary. When I worked at Advance Auto all those years you never failed to keep me laughing when I saw you. You always looked out for me when I worked 3rd at the convenience store in Belton. You had one of the biggest hearts I've ever seen and was always smiling big as everything. I've known you almost 10 years. You will be missed "Nook".*
