My Condolences To The Family. My lil homie Timmy well I known Timmy since he was a little boy he played football for me one thing I can say about him. He was afraid to get hit in the game he would run out of bounce. As he gotten older he was a fast talker and slick with it see I can talk about him all day because he was my homie and I knew the family very well I just saw him real name and I always thought it was Timmy. My friend you are going to be miss but not forgotten RIP My Brother. From Nate Wideman and Family
