“ I remember when Thomas was born what a great day for Cousin Alice and cousin Eddy. Now it has been a sad time for me, but many of us know it was his time to leave us. We all are born with a set time to leave this earth. I have been keeping the family in my prayers. May the Lord bless you and give you strength in the name of Christ Jesus, Amen.

“ TJ, words can't begin to express how lost I feel, how empty I feel. There are many unanswered questions in my mind but one thing I know for sure and that is the bond we shared was more than just mere words. Thank you for the joy you brought to my life for the past three years. Thanks for the good times we shared laughing and traveling together. I will NEVER forget you as long as life for me shall last. You had a big heart and love for everyone. Always the life of the party. Thanks for the memories. Thanks for taking care of me during my recent hospitalization and recuperation at home. You put your life on hold to take care of me. THANK YOU. One thing that sticks out in my mind is during the 3 years we were a part of each other's life, never once did we ever say GOOD-BYE, it was always one word, "Later". On Sunday night when you left my home the last words I said to you were, "Be careful" . . . . . LATER. Your response to me was 'LATER". Little did we know that would be our last encounter on this side. Nevertheless " I'LL SEE YOU AGAIN... . . . "LATER"

“ You will be missed my friend!!! It was great to have worked with you for all those years!!! I will miss our talks about cruising and how you loved the Caribbean Islands and traveling as much as I do. I still have the souvenir on my desk from when you brought us all back something from your Aruba trip. You always went out of your way to take the time to say Hi with a smile on your face. Thoughts and prayers are with your family for the loss of such a good and kind man!
