“ I want to thank all the Nance family for adopting me into the family and make me one of their own. About 20+ years ago I went over to her house and there was a Yellow cab pulled up and let MISS TWYLER out from a long hard day working at Ellenburg NH. I guess she was about 70 then and still could dance... .that is if she wanted to. she retired from there shortly after if this note pad would hold my script I could tell many stories. She will always be in my heart and life. with my LOVE JIM
