“ Mrs. Smith was a spiritual and loving women of GOD. She always greeted everyone with her beautiful smile. She was one of my Sunday School teachers who took time to explain the WORD to students like myself, who sometimes didn't always get it. We were blessed to have had her play such a positive roll in our lives. May you RIP love one..

“ *Velma was a beautiful woman both inside and out! She loved the Lord and often shared her faith with me and others! She was a true inspiration to me! She was the consummate professional and received a beautiful citation from the state of South Carolina for her service as a professional teacher extraordinaire! I love Vema and she had lots of love to go around! I will never forget the love she shared with my daughter Monica, when she stayed with Valerie over summer vacations! I knew my daughter was in good capable hands with Velma and Mendal. She is a true daughter of the most high God and she is now at home and at rest in the loving arms of her savior Jesus, the everlasting Father and the Prince of Peace!*

Velma was a true friend for 46 years. I helped her donating food to the church food pantry. She fed me many meals during my divorce to a violent alcoholic and like a true Christian, prayed for me when I was too distraught to pray. Was also my witness to the court . If it were not for her teaching my daughter, Candy, to read in 2nd grade, my daughter would not have become an attorney. God put us together 46 yrs ago when we moved from Pa to SC , after working with her brother Felton in NJ in the Army Hospital. Unbelievable that I should meet his sister 650 miles away. God is an awesome God.
