“ My prayers and condolences go out to the family in the passing of Mr. Bill. Every time I came to visit my mom, Caroline Swint and come to church, he would call me "his daughter". He enjoyed joking with my mom, always asking about me first and saying she was mean, which got her to fussing. Even after she passed, I continued calling to check in on him. His mind was sharp and he enjoyed each time we talked, always mentioning his family. The last time I spoke with him was the week before he was put in the hospital; he told me he wasn't feeling well and still in the bed. I will forever miss our bi-weekly talks, but I know he is now at rest! What a life well lived and a great legacy left.

*Rest Well,
